Collections Committee Proposal

Incoming Items

The Collections Committee recommends the Besser Museum Board of Trustees accept the following items into the museum's Permanent Collection:

Painting

Original Glen Michaels painting, titled "The Wave." The painting served as the inspiration for the fountain in front of the Besser Museum.

Photos

Bob Kujawa's collection of photos documenting the One Room Schoolhouses of N.E. Michigan. The photos were used in a previous exhibit, transferring them to the permanent collection will ensure better public access to them.
