

The mission of the Northeast Michigan Artists' Guild (NEMAG) is to promote and support art and artists through inspiration, information and education in our community; to support local artists through exhibits and shows of quality work and to encourage novice artists. Artists in NEMAG range from raw beginners to very advanced.

Some of the opportunities we offer to NEMAG members are:

- Monthly meetings, which include general business discussions and optional art critiques, held at the Besser Museum for Northeast Michigan, Alcona County Library in Harrisville or Brush Creek Mill in Hillman.
- An annual exhibit at Brush Creek Mill in Hillman.
- An annual exhibit at the Alcona County Library in Harrisville.
- From spring to late summer at the Besser Museum of Northeast Michigan, each NEMAG member is welcome to participate in developing artwork for this themed show.
- A members-only workshop at Lost Lake Woods Club in June. Limited to 18 people, we provide the opportunity to learn from host artists in a friendly and traditional up-north environment.
- The opportunity to participate in Art on the Bay in Alpena each July, where members may sell their work under the NEMAG tents.
- Opportunity to participate in the "Creative Eye," a members-only juried art exhibit held annually at the Alcona County Library in Harrisville.
- Winter, spring and fall painting weekends at Lost Lake Woods Club in Lincoln.

NEMAG members have a common goal of wanting to learn more about art. We help each other by sharing ideas, critiquing artwork and being together. Annual dues (July 1 through June 30) are \$25 per member. For further information, please contact Karen at 989-766-9945 or Ellen at 989-916-5997 or email northeastmichiganartistsguild@gmail.com.
