G U I L D

The mission of the Northeast Michigan Artists' Guild (NEMAG) is to promote and support art and artists through inspiration, information and education in our community; to support local artists through exhibits and shows of quality work and to encourage novice artists. Artists in NEMAG range from raw beginners to very advanced.

As a NEMAG member, some of the opportunities we offer are:

- Monthly meetings, which include general business discussions and optional art critiques, held at the Besser Museum for Northeast Michigan, Alcona County Library in Harrisville or Brush Creek Mill in Hillman.
- An annual exhibit for the month of June at Brush Creek Mill in Hillman.
- An annual exhibit in April at the Alcona County Library in Harrisville.
- An annual themed exhibit at the Besser Museum of Northeast Michigan running from April through July.
- A members-only workshop at Lost Lake Woods Club in June. Limited to 18 people, we provide the opportunity to learn from host artists in a friendly and traditional up-north environment.
- Art on the Bay in Alpena each July, where members may sell their work under the NEMAG tents.
- The "Creative Eye," a members-only juried art exhibit held every other year.
- Winter, spring and fall painting weekends at Lost Lake Woods Club in Lincoln.

Members may participate in as many NEMAG events as they wish. We have a common goal of wanting to learn more about art and helping each other by sharing ideas, critiquing artwork and being together.
