Other Activities July-August 2025

- Transported Tim Kent's collection of French Fur Trade Era artifacts to the museum. Two weeklong projects with Matt K. to move over 2,000 artifacts to the museum.
- Currently processing Tim Kent's Collection with the help of Nicole and Isabel (includes cataloging, measuring, photographing, labeling, and packing up for storage).
- Toured Split Rock Studios through Tim Kent's collection
- Attended kickoff meeting on August 8th with Split Rock Studios and the rest of the exhibit committee for the phase two lower-level exhibit.

Note: No Collections Committee meeting in the month of August to focus on processing Tim Kent's new collection.
