July 2023 Board Proposal

The Collections Committee recommends the Besser Museum Board of Trustees deaccession the following items from the museum's Permanent Collection:

1. Description: 1988.15 Collection of newspapers ranging from 1930-1940 documenting the Alpena Garment Factory.

Reason: Poor condition and the materials are more accessible elsewhere. Transferring them will save time and resources.

Disposal: Transfer to the Alpena County G.N.F. Library's Special Collections
